(ii) establishing fees for licences, permits and approvals that are higher for persons or businesses who do not reside or maintain a place of business in the municipality

AND WHEREAS *The Municipal By-Law Enforcement Act* provides under section 3(2) that:

2. AND THAT the Rural Municipality of St. Laurent may issue a certificate showing the name of a person required to pay an administrative penalty and the total amount of the administrative penalties due and payable by the

person, and may file the certificate in the Court of King's Bench. Once filed, the certificate becomes a judgement of the Court and may be enforced as a judgement.

- 3. **AND THAT** for the purposes of enforcing payment of amounts due and payable to the Municipality in relation to designated by-law contraventions, a municipality has the powers and duties of an authority under sections 92 to 94 of *The Provincial Offences Act*. Those sections apply not only to amounts due and payable in relation to contraventions involving the parking of a vehicle, but to amounts due and payable in relation to all designated by-law contraventions for which a penalty notice is issued under *The Municipal By-law Enforcement Act*.
- 4. **AND THAT** for the purposes of clarity, each schedule shall be updated, when there is a third reading of an amendment to the By-law, to reflect the changes in numbering affected by amendments to those by-laws.
- 5. **AND THAT** this by-law shall be reviewed no less than once every calendar year, from the date it is passed, and shall be presented on the first scheduled council meeting of each January.
